St. Christopher's has been an integral part of the Chatham community for the past fifty years. Our many outreach programs benefit those in our local communities as well as around the world. Proceeds from our fund-raising events help support the mission and ministries of Saint Christopher's. The causes we support gratefully appreciate the backing of both individuals and businesses to Saint Christopher's continued outreach efforts.

We thank our participants and sponsors for their friendship, participation and support.

We expect a memorable day for all involved!
