

# ANNOUNCING

## The Gallery Circle at St. Christopher's

**The Gallery at Saint Christopher's** seeks to present sacred art of high quality to the congregation and to the local community by offering

- sacred art that helps us see the Scriptures
- visual expression of faith that enhances spiritual development
- educational opportunities to expand our visual literacy
- developing a permanent collection

To ensure the longevity and health of the gallery it is important that many participate.

To this end, The Gallery Circle at St. Christopher's is being launched.

### Becoming a part of this group means you

- want to see the gallery flourish
- share your enthusiasm with others
- bring people to the openings and lectures
- are a patron of the art
- help develop the future collection and commissions

### Benefits of the Gallery Circle include:

- invitations to special events with visiting artists
- expanded advance information on coming exhibitions
- invitations to various lectures or gallery talks for members
- private group tour arrangements

*To teach us to pray,  
that is the work of  
art. To teach us to  
see, that is the work  
of prayer.*
